

**How does someone grow a small business into a brand,
and create lasting business solutions?**

**How can you educate, motivate, and inspire others
to use these proven techniques?**

It's Simple, Really... Just Put Mike O'Hagan in Front of Them !

Mike O'Hagan developed and refined his proven business systems through decades of personal trial and error. He can answer the questions above while keeping you interested, inspired, and empowered. Mike is a professional speaker and has made presentations to hundreds of audiences.

In fact, he's so good at what he does, and at teaching others to use his techniques, he's earned the name "Mr. MiniMovers." Mike is a true entrepreneur and a business innovator, and you'll find that his down-to-earth, friendly style is both compelling and contagious.

MiniMovers has come a long way from the initial investment of \$200 and a Ute. The company now has an annual turnover exceeding \$30 million with over 480 hard-working employees - moving over 1200 homes and offices a week throughout Southeast Queensland, Sydney and Melbourne!

"Love your no B.S. style, Mike. I got some great ideas today! I especially liked your emphasis on responding to the market and not limiting yourself with inflexible plans."

- Janet Beckers, Niche Partners

Mike O'Hagan Informs Business People Using Real-World Experience and Thought Provoking Presentations ...

1. Globalisation – About being both global and local *MOST POPULAR*

Using the resources of the web to grow business, whilst still being local. Mike does more than talk – he shows you how the World Wide Web & technology are changing business in our New World. Learn innovative leading edge strategies that will help you out pace the competition.

2. People War: How to win in the competitive war for people.

Mike shares his secrets on how they get 400 removalists to row in one direction, and have so many employment applicants, that they actually have to turn people away! Why employ "experienced" people, when unexperienced are much better for your business.

3. Practical Strategies to Grow and Systemise Your Business!

Learn direct from Mike O'Hagan how he grew a \$200 investment into a \$30 million a year turnover. Hear how he believes business must ever-evolve or they die, how fixed planning doesn't work, how conceive, test, measure, then duplicate is the key to success. Controversial yes, but it worked for Mike.

4. Making MORE sales at a LOWER cost. *NEW!*

Marketing is changing rapidly. Mike showcases examples of business that have moved from loss to profit by rebuilding marketing. Face to face salespeople are expensive and disappearing. Learn what's replacing them (beyond the web) and how you can turn this opportunity into an unfair competitive advantage for your business.
